Dear KAMPANY members, colleagues, & friends,

THANK YOU for your generous support of KAMPANY's annual Golf Outing & Scholarship Fundraiser.

KAMPANY would not be what it is today if not for the collective and cumulative efforts of countless individuals, past and present, including all of you. This perspective of time engenders a feeling of proud accomplishment, and humility.

For over a quarter century, KAMPANY has dutifully represented Korean-American physicians serving patients in the greater New York region.

For over a decade, KAMPANY has passionately chosen to give back to the community in which we all practice in the form of a scholarship award to promising students and future leaders.

In the past several hours at the picturesque Village Club of Sands Point, KAMPANY members and supporters have shared the thrill of victory and the agony of defeat in the bittersweet journey that is golf, perhaps an encapsulated, poetic allegory of the life experience. And in the process, the hope is that everyone leaves with a stronger sense of association with KAMPANY and with each other.

Thank you all for choosing to spend your most valuable resource—time— here today, with the members and friends of KAMPANY.

Sincerely,

Charles Kwak, MD

President 2015
